

Highland School Happenings

December 2018

From the Principal

Dear Highland Families,

Wishing all of our families joy and peace this holiday season!

Many thanks to the Highland PTO for hosting a vendor fair on December 7 from 4:30-8:30 right here at Highland. There will be a movie for the kids, so come and get a little holiday shopping done! Also, coming up is the PTO's Annual Snowball Express, where students can purchase some small gifts for family members. More information will be coming home about this event soon!

Just a reminder that if phone numbers or emergency contacts change, please call the office here at school so we can update your child's information.

Even with colder weather upon us, we will make every effort to spend time outside at recess as Mother Nature allows. Please be sure your child wears a warm coat to school and brings along a hat and mittens or gloves.

As always, thank you for all that you do to help your child be ready and willing to learn at Highland Elementary School. Don't hesitate to call the school at 572-6428 with any questions.

Thank you for sharing your child with us,

Ms. Manning
