

Highland School Happenings

November 2018

From the Principal

Dear Highland Families,

Busy times ahead as we make our way into the holiday season! Just a reminder that there will be no school for students on November 6 (Election Day/Staff Development) and again on November 12 in honor of Veterans' Day.

With so many new families eager to get involved in school, we are looking to re-vamp our Highland School Council. This is a group of parents/guardians, teachers, administration, and even a community representative that would meet 3 or 4 times a year. Our primary focus areas would be school improvement goals and providing input on the budget. Please call or email me if you are interested.

Please be aware that our office staff asks for IDs when you dismiss your child from school. Please inform any family / friends who are listed as people who can pick up your child on the emergency card of this safety practice so that they have IDs ready.

As always, thank you for all that you do to help your child be ready and willing to learn at Highland Elementary School. Don't hesitate to call the school at 572-6428 with any questions.

Thank you for sharing your child with us,

Ms. Manning
